---

### Copyright Holder Section

A standard credit line will be used unless you request specific wording using the space provided below.

I hereby give my approval to NASW Press to reuse the content specified in Item A in the work outlined in Item B and any future editions, revisions, and formats (including electronic) of the work for distribution throughout the world and in all languages. This authorization includes the right to approve, without charge, the publication in Braille, photographing, recording, microfilming, talking books, or any other form of technology or device used by people with disabilities. Granting NASW Press rights to reuse in no way restricts republication of my content in any other form by me or by others I authorize.
