## Agreement Form for Contributors to Collective Works

**Title of manuscript:** \_\_\_\_\_

**By:** \_\_\_\_\_

**For publication in:** \_\_\_\_\_

1. I specifically transfer to the National Association of Social Workers, Inc. (NASW), full and complete ownership of any copyright I may have with respect to the work entitled above. (If there is more than one author, I also certify and represent to NASW that I am the duly authorized agent for any or all other authors of the work, and I am authorized to make this agreement on their behalf.)
2. I agree to refer to NASW all requests, including my own, to republish or reprint the whole or any part of my work.
3. I have obtained written permission to use any quotations or excerpts from another work not in the public domain or covered by fair use provisions of U.S. copyright law. Proper acknowledgment has been given for such use of other materials in the new work.
4. I will supply original artwork for any illustration or figure in my manuscript. I understand that such art must be rendered in black ink, preferably by a professional illustrator, or on a laser printer. If I wish, NASW will arrange for an artist and forward the bill to me for payment.
5. I agree that the editor will do what is necessary to prepare the article for publication, including changes in title, style, and format to conform to editorial usage, format, and NASW style. Changes may include such last-minute deletions as are necessary to meet the requirements of space and format. I understand that I may be requested to update data and other material before publication.
6. I understand that I will receive a copy of the edited article for review before it is sent to the printer and that page proofs are not provided, except in special circumstances.
7. I have disguised identifying information (names of persons, organizations, and so on) in any case examples used in this article and have substituted comparable material.
8. I am supplying herewith an informative abstract (up to 150 words) and up to five key words that distill the key concepts in the article. I understand that this abstract will be published at the beginning of the article. I also grant permission for the abstract to be published and indexed in Social Work Abstracts and to be placed in the Abstracts electronic database.
9. I understand that I will receive complimentary copies of the issue in which my article appears. For regular articles, each author will receive five copies; for articles published in special columns, each author will receive two copies. Reprints are available for a fee in quantities of 50 or more. The cost of the reprints will depend on the number of printed pages. NASW will send a rate sheet after publication.
10. I have read the policy in regard to overlapping submissions, which appears on the reverse side, and I affirm that my work is in compliance.
11. I understand that NASW approaches any case of plagiarism as an issue of professional conduct.

#### **NASW POLICY ON PLAGIARISM**

The use of another author's ideas, words, or data without attribution is considered plagiarism, whether the use is deliberate or accidental. NASW views any incidence of plagiarism as an issue of professional misconduct and a violation of the *NASW Code of Ethics*.

#### **POLICY STATEMENT ON OVERLAPPING SUBMISSIONS**

It is recognized that in the case of large-scale research studies, more than one article might be generated from the core material available. However, in such cases it is the clear responsibility of the author to state in the work under consideration that the paper is part of a larger study and to annotate fully other articles from the same study that are already published, in press, or in process.

If such information has been withheld and substantive portions of the material under review or already accepted by NASW have been published or submitted for publication elsewhere, the editorial boards and committees that function as subunits of the Communications Committee can, at their discretion, reject or withdraw acceptance of such articles, if it is deemed that publication could lead to violation of publications policy or NASW adherence to the copyright law.
